Any persons other than Licensee's personnel may not operate the Software without prior approval from Licensor. The license does not include the parent companies or subsidiaries of Licensee.

Licensee shall not have the right to use the Software for providing authentication, authorization, identity management services and/or identity provider proxy service for third parties without a specific Service Provider Licence Extension, including payment of any applicable fees.

Licensor will apply indexation to the prices on each renewal.

6. AUDIT RIGHTS

Licensee shall keep and maintain full, true and accurate records containing all data reasonably required for verification of Licensee's compliance with the terms of the Agreement. Licensor shall have the right, during normal business hours upon at least fifteen (15) business days' prior notice, to direct its independent auditor(s), who shall execute an appropriate non-disclosure agreement, to audit and analyze the relevant records of Licensee to verify Licensee's compliance with the provisions of the Agreement. The audit shall be conducted at Licensor's expense unless the results of such audit establish that inaccuracies in payments have resulted in underpayment of prices to Licensor by more than five percent (5%) of the amount actually due, in which case Licensee shall bear the expenses of the audit. Licensee shall in any case correct any underpayment without undue delay. This section shall survive any expiration or termination of the Agreement for a period of one (1) year.

7. TRADEMARKS

Licensee agrees not to use Licensor's trademarks for any purposes other than those expressly permitted by Licensor. Licensee agrees not to register, attempt to register or otherwise attempt to obtain any rights in the Licensor's corporate logo, name, trademark, URL, and product names (the "Trademarks") or any similar marks in any jurisdiction.
